Headphones should only be a **wired** black/white/single color headset. Please do not send in gaming headphones or ear buds.

If you can, please purchase Great Value or Clorox brand wipes, as their label comes off easily and we use them for an end of year project. Also, we strongly suggest you buy Crayola products because their colors have basic names which we work hard on reading in Kindergarten.

Please put your child's name on Backpack, Lunch Box, Kindermat, Blanket and on the outside of supplies. Individual small supplies such as glue sticks, crayons and markers do not need to have their name on each- just on the box/container it comes in. **Please keep all supplies in their original boxes.** Tissues and wipes do not need to be named as they will be shared.
